# Howdy Partners!

Welcome to "Round 'Em Up!" Lewis Central Booster Club Auction 2010. The Lewis Central Booster Club Board would like to express its sincere thanks to those businesses and individuals who have been so gracious with their donations to this year's auction. With your support each year, we raise over \$28,000. This is 35% of our budgeted \$80,000 we give back to the fine arts and athletic departments at Lewis Central. We have one of the most active and successful booster clubs in the state. We are committed to continuing to provide the funds and support to the students, activities and facilities at Lewis Central and are honored to continue our tradition of a proud past....a promising future.  
Without you we would not be successful!

To the administrators, teachers, coaches and staff present tonight, thank you for the time and dedication you give to our children.

We would also like to thank those that volunteer their time whenever they are called upon.  
We thank you for your commitment and support!

As you read through the items listed in this booklet, please note the businesses that have chosen to donate. We encourage your patronage of our many supporters!
